

Flex 222

Product number Flex 222

The Flex 222 is the ideal, practical solution for cash registers, points of sale or the like. Because of its compact dimensions, it is also often used on mobile carts. You can tilt, swivel, rotate and adjust the height of your monitor to an ergonomic position with your fingertips.

- Dynamic height adjustment
- Dependent depth adjustment
- Height adjustment with gas pressure spring
- Load capacity: maximum 10 kg per monitor
