

Flex 58.620

Product number Flex 58.620

The Flex 58.620 is perfect for flexible workstations and teamwork. Easy to use and can be used almost anywhere thanks to the swivel blockade that prevents it from bumping into walls or other tables. Cables are easily hidden in the arm's aluminum arms, creating a neat, professional look.

- Dynamic height adjustment
- Independent depth adjustment
- Height adjustment with one-way bearing
- Load capacity maximum 7 kg per monitor
