

Flex 58.122

Product number Flex 58.122

The Flex 58.122 has two arms, which allows the monitor to be independently adjustable in depth. This makes the product suitable for dynamic solutions. Stepless height adjustment makes the ergonomic posture of any user possible. The monitor cables are almost invisible in the aluminum column and in the arms.

- Static height adjustment
- Independent depth adjustment
- Height adjustment with threaded knob
- Load capacity maximum 8 kg per monitor

Product information

load capacity:

15 kg
