

Flex 58.102

Product number Flex 58.102

The Flex 58.102 is very suitable for checkout areas or similar static workstations due to the short distance between the screen and the column. The infinite height adjustment makes an ergonomic posture possible for any user. Monitor cables can be easily concealed in the aluminum column, creating a neat, professional look.

- Static height adjustment
- Without depth adjustment
- Height adjustment with threaded knob
- Load capacity maximum 8 kg per monitor
